## Winchester

Winchester Dining by G Plan cabinet is a modern understated collection made using beautiful light oak with a meticulous level of craftsmanship. The elegantly designed contemporary dining tables, in a compact form, have the capability to extend and comfortably seat additional guests when required. The extension leaves are cleverly stored within the table and effortlessly unfold using a butterfly mechanism. Complemented by a contemporary take on the G-Plan Fresco chair, this collection exudes a modern and stylish charm. In keeping with G-Plans heritage the Winchester collection offers a complete room set of sideboard, bookcase, and occasional pieces.
