## Stressless Fiona

Stressless Fiona is a modern and clean design with neat proportions. Classic in its beautiful simple lines, the sloping back features a fine horizontally stitched detail for a truly unique look. Stressless have mastered the science within the sofa and cushion design to ensure the upholstery retains its elegant and neat silhouette. Careful thought has been put into construction, angles and cushioning to provide exquisite comfort. The seat cushions have ComfortZones to enhance the softness and make the cushions adapt to your seating position. To complete the seating area, we suggest you combine the Stressless Fiona sofa with a Stressless recliner of your choice. The large selection of upholstery choices and wood finishes will allow you to create a lounge to your specifications and interior design.
