Bentley Athena Fumed Oak Dining

Athena is a striking design combining saw cut marquetry tops in a warm fumed finish with dark rich 'peppercorn' stained wire brushed oak veneered frames and welded metal bases in a satin brass finish. Each of the hand-crafted pattern tops are wire brushed and distressed to give a rustic look and tactile feel, making the most of the beautiful and varied grain of oak.

Choose from a multitude of seating options; from a sturdy yet elegant bench, to generously proportioned plush fumed oak chairs available in four rich velvet options, a stylish grey fabric or vintage faux leather, or make a statement with our handled cantilever chairs featuring a bold square stitch pattern in black mottled fabric. Additional features such as BLUM soft closing hidden drawers within the sideboards elevate the overall refinement of the range. The Athena Collection offers an exclusive look and will add a touch of opulence and glamour to any dining room.
