Bentley Brunel Scandi Oak & Dark Grey Bedroom

With its clean, contemporary lines, Brunel bedroom is made using carefully selected white oak veneers and beech solids finished in a distinct combination of fresh Scandinavian light oak with a contrasting dark tone grey. Combining precise bevelled frames and striking drawer recesses on the cabinet with a fashionable upholstered bed in a dark grey fabric with horizontal stitch pattern, the range naturally embodies a casual and contemporary aesthetic. With its clean lines and refined details Brunel will add a stylish and modern look to any bedroom setting.
