FAMILY FURNISHERS SINCE 1930

Tetrad Elgar

With large scroll arms, low back and hardwood feet, the sofa brings the elegance of a bygone era to contemporary living. Four individual scatter* cushions are supported by the fully sprung back for the perfect balance between comfort and support. (Image shows optional extra scatter).

Please Note: Standard scatters come with 2 or 1 Brown Chenille scatter.

The design is hand finished to ensure it retains its showroom looks for longer.
