## Bentley Vintage Weathered Oak Dining

Taking inspiration from sophisticated mid-century styling through hints of both retro and Scandinavian design, Vintage is a fashionable range that features a varied blend of shapes and forms. Contrasting wire brushed weathered oak tops and carcasses with peppercorn painted base and legs are perfectly paired with a choice of upholstered chair styles in either a dark grey mottled fabric or an aged vintage bonded leather. Striking feature handles, engineered mitre joints, finely tapered legs, reciprocal extension runners and super comfortable casual chairs and stools made using moulded plywood shells with layers of foam encased in a ribbed look upholstery attest to the expert craftsmanship that underpins this collection. The natural shapes of the tables and radiused frames of the casual chairs and stools work with the geometrical and linear cabinet pieces to create a compelling and slightly eclectic blend. Vintage Dining boasts the perfect combination of inspired design with beauty and simplicity matched with craftsmanship, comfort and functionality.
