FAMILY FURNISHERS SINCE 1930

If you're looking for practical storage with a contemporary twist, then you'll be charmed by our Ashby white bedroom range. Ashby offers exceptional design that is a perfect blend of modern and classic styles with two handle designs to compliment your decor. Both handle options are included so you can choose from sleek brushed stainless steel handles to accentuate trendy interiors or white painted handles for a more traditional appearance. This timeless range boasts incredible functionality thanks to a wide range of storage options that includes an underbed storage drawer, and a hard-wearing white painted finish that guarantees to look good for many years to come. Ashby white bedroom is ideal for those with smaller spaces thanks to its compact design with huge storage capabilities, bringing a sense of tranquility to even the most disorganised of bedrooms.
