Bentley Camden Rustic Oak Dining

Camden combines traditional forms with a contemporary edge by way of gently curved “barrel shaped” table tops and cabinet facias. Wire-brushed and saw cut laminated oak table tops, combined with solid ash “A” frame legs make a real statement and the rich oiled finish will add warmth to any dining space.

Moulded ply back armchairs nod towards mid-century styling with their retro form and curved back design. With a range of sumptuous velvets, a mottled dark grey fabric or our old west vintage faux leather, you can customise your look to fit your décor. Details such as soft-close drawers and sliding door mechanisms add to the refinement and superior quality of the Camden dining collection.
