Bentley Ellipse Fumed Oak Dining

Ellipse Fumed Oak showcases bold design with a combination of the natural lines of the elliptical and circular tables, paired with the geometrical & linear shapes of the cabinet, to create a compelling and slightly eclectic look. The striking saw cut fumed rustic oak marquetry tops on the thick table tops and cabinet doors contrast beautifully against the large welded peppercorn powder coated metal bases, creating a range that successfully blends intricate craftsmanship and indulgently warm tones with an on trend industrial aesthetic. Each of these hand-crafted pattern tops and laminated fumed rustic oak cabinet frames are wire brushed and distressed to give a rustic look and tactile feel, making the most of the beautiful and varied grain of oak. Generously proportioned dining chairs, styled with diamond stitch upholstery in a choice of luxurious dark grey fabric and old west vintage bonded leather, feature plush padded seats, gently flared backs and elegantly tapering legs, imbuing comfort and indulgence. Superior Blum soft close drawer runners add that final quality detail to a range that is sure to be a focal point in any space.
