Bentley Monroe Silver Grey Dining

Monroe Silver Grey dining combines classic and contemporary styling to create timeless statement pieces for any home. Comprising of circular and lozenge-shaped forms, this range highlights on-trend, organic and flowing designs that provide a calming feel with softened edges and curves. This aesthetic is accentuated with saw-cut ash chevron pattern on the tables, cabinet tops and display unit which are finished in a fresh silver grey, and accompanied with matching turned tapering legs or contrasted with peppercorn powder coated metal frames. Slate grey fabric upholstered dining chairs and tambour doors complement this palette choice and add texture to pieces such as the sideboard and open display unit, whilst quality touches such as soft-closing runners speak to the craftsmanship and refinement of Monroe.
