

Haskins

FAMILY FURNISHERS SINCE 1930

A high quality divan base offers an important foundation for your mattress, and can effect its feel, performance and longevity. This elegant piece of furniture is handcrafted from FSC timber and then upholstered. Sprung bases work in harmony with the mattress to provide a medium feel. Divan bed bases are typically made up of two supportive bases, held securely together with a bracket. Deep divan bed bases can provide valuable storage to suit the needs of the bedroom.
