Hypnos PostureCare 7 Mattress

A handcrafted, firmer feel pocket sprung mattress made with responsibly sourced materials – perfect for sleep, better for the environment. Carefully handcrafted and finished, the Orthos Support 7 is a luxury firm mattress featuring ReActive 7-turn pocket springs and natural and sustainable fibres which actively help manage heat and moisture whilst you sleep. This genuinely hand side-stitched mattress contains layers of British wool certified to Responsible Wool Standard, and responsibly sourced cotton to help keep you cool and dry. Combined with an eOlus recycled fibre comfort pad. As part of the Origins collection, it has a beautiful unbleached cotton sleep surface that is fire-resistant without the need for FR chemicals.
