FAMILY FURNISHERS SINCE 1930

Cleveland continues to inherit the hallmarks of high quality detailing that Alstons associate with the best of British manufacturing. Hand finished turned legs from characterful ash in a choice of our beautiful warm grey wash or antique finishes, bring timeless appeal that work well in city or country homes alike. Every piece is hand crafted with meticulous detailing, soft pleated scroll arms are a nod to classic, yet the look remains soft and casual with a further option of carefully finished pewter studwork. The fabric palette of soft greys and slate velvety chenille's combine perfectly with a mix of smart houndstooth checks or a fusion of more textured global accents to sit with the boucle herringbone plain.
