G Plan Lukas

Chloe's distinctive high back and bull-nose seat cushions balance style with exceptional comfort. The high-quality tailoring and generously padded arms enhance feeling of wellbeing and relaxation. A shorter seat complements the back cushions to deliver a supportive upright sit. Choose from a range of beautiful fabrics and leathers to suit your style.

With a heritage dating back to 1898, G Plan has become a benchmark for British design. Today their enduring quality is crafted into supremely comfortable and stylish sofas that are designed to be lived on. Just some of the reasons why they are one of the UK's largest furniture brands.
