Parker Knoll Miami

At Parker Knoll, we strive to go above and beyond to bring you the ultimate comfort experience. We are proud to showcase our Miami Chair featuring our unique independently moving head support in addition to the footrest, so you can achieve the perfect position every time. Additionally, Miami's contemporary sweeping lines mean you don't need to sacrifice style to attain complete relaxation.

Expertly crafted in Britain by our accomplished team of upholsterers, Miami has been designed with versatility at the forefront; using a brushed steel 5-star base you'll certainly feel like you've got the 5-star treatment.
