FAMILY FURNISHERS SINCE 1930

Stressless Reno

The over pads filled with soft foam and height adjustable neck support has made the Stressless Reno into one of our all-time favourites. It has become the symbol of what a great recliner should be; a comfortable, thought through and durable piece of furniture which gives you that great Stressless experience year after year. The comfortable neck rest can be adjusted up to 10 cm to support users that need that extra bit of length.
