## Sleeppeeze Wool Luxe 3700

The Wool Luxe 3700 mattress is handcrafted to deliver next-level comfort and targeted support thanks to an impressive 3700 traditional pocket springs which independently adjust to provide comfort and support to all body shapes. Deep layers of natural British wool and mohair help to regulate your body temperature throughout the night and the seasons.

Forget any feeling of mattress 'roll off' with the Campaign for Wool collection as calibre edge side support provides a firmer, more resilient edge. Finished with a sumptuous pillowtop, the Wool Luxe 3700 is truly the pinnacle of comfort.
